

The
LARKIN PLAN
FOR HAPPIER HOMES

Spring & Summer 1925 Catalog No.93

50th ANNIVERSARY

A 50th Anniversary Greeting

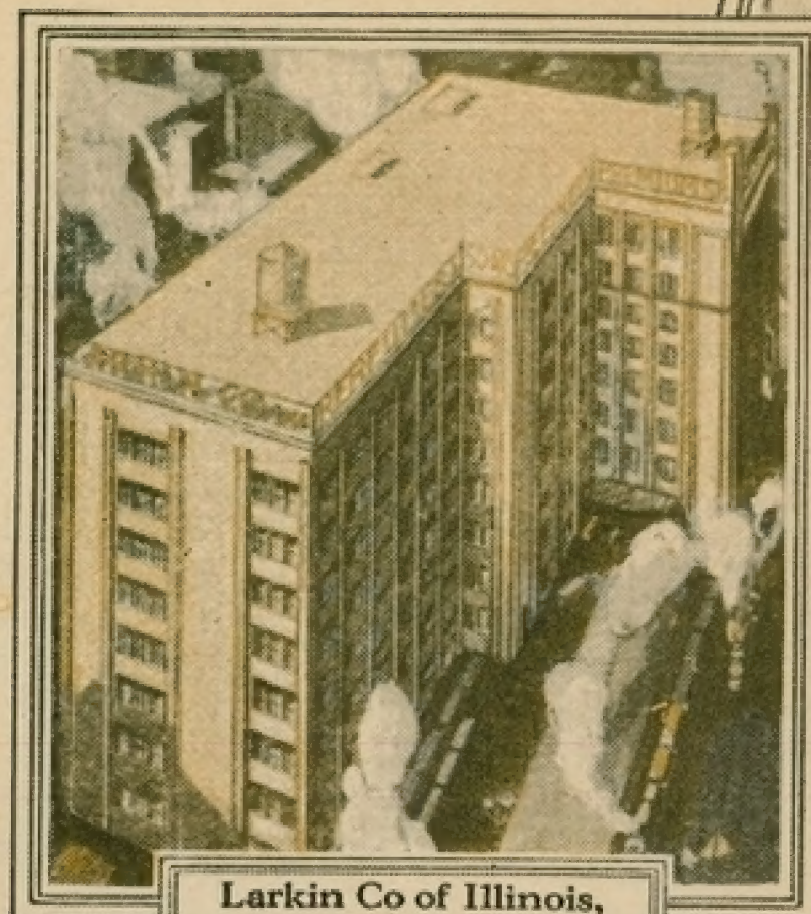

AS I look back over our fifty golden years, years of earnest service to American homes, I am filled with thoughts of appreciation for the golden friendships this half century has brought to our Company.

Your appreciation of Larkin ideals and of Larkin service has built from humblest beginnings, a vast plant dedicated to your service.

What better can I say at this time to our host of friends, than to pledge our steadfast adherence to Larkin ideals through another fifty golden years.

John S. Larkin

The LARKIN FACTORIES AND BRANCHES in 1925

Larkin Co of Illinois,
Peoria, Ill.

Larkin Co of Illinois,
Chicago, Ill.

WHEN the homes a business serves multiply by the thousands, when the Products a Company produces increase by the hundreds, the step from a tiny building to an enormous plant is as natural as it is necessary.

One thing alone has remained unchanged throughout 50 years; the spirit of service is as earnest and as sincere to-day as the day the founder started the manufacture of soap in the little building on Chicago Street in Buffalo. To-day, that founder insists on the same principles that have built the business. A Larkin order is always a trial order until the customer is satisfied.

There are thousands upon thousands now dealing with us who learned from "Mother" that by turning to the Larkin Catalog they too could make home a place of comfort and housekeep economically and wisely. What some of these good friends think of Larkin dealing we are proud to print on the next page.

The Home of the Larkin Idea
Buffalo, N. Y.

"Since 1883 I have organized and conducted many Larkin Clubs. Some present members have been in the same club twenty years, which speaks of their satisfaction. 'Larkin-ites' are continuously surprised with the beauty and quality of your goods.

With hearty enthusiasm we congratulate you on the completion of half a century of beneficial service to American home-keepers."

Mrs. H. E. Chase
Minneapolis, Minn.

Messages from Our Long Time Secretaries

"Heartiest congratulations on reaching your 50th Anniversary. May you continue for many years.

"All honor to the head of the firm for the good he has done in making possible an easy, pleasant way, by which thousands of people can have many of the extras of life.

"I have been a Secretary for seventeen years and expect to remain one indefinitely. My enthusiasm never diminishes."

Mrs. D. E. Snyder
Port Jervis, N. Y.

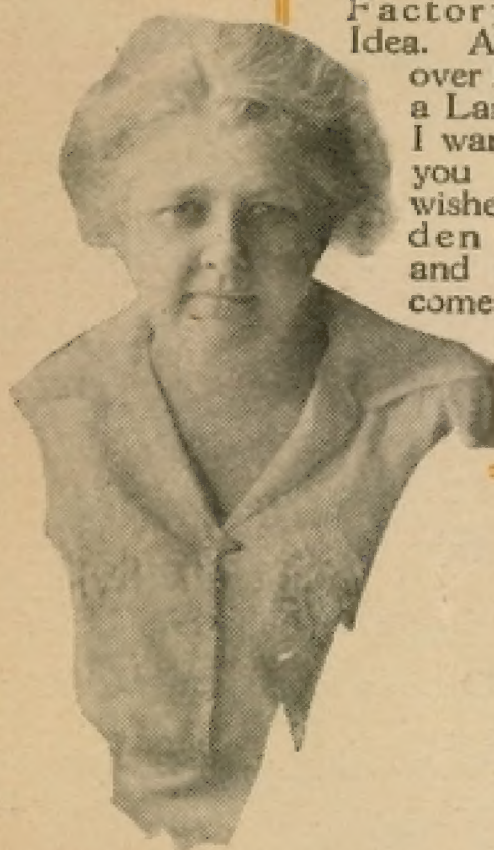

A CELEBRATION of our 50th Anniversary would be incomplete, indeed, if we did not pause to pay a tribute to the spirit of co-operation of our thousands of Larkin Secretaries whose appreciation of the Larkin Plan has proved such a tremendous factor in the growth of our business.

These good friends recognizing and enjoying the great benefits of Larkin dealing have shared these advantages with relatives, friends and neighbors. Thus, the joy of the Larkin plan has been spread far and wide.

We count it a rare privilege, to print some of the congratulations that have already reached us on our 50th Anniversary and the portraits of the friends who have sent us a word of greeting.

"How wonderful that Larkin Co has reached its Golden Anniversary. What a contribution the Founder of Larkin Co has made to the homes of America in the Larkin Factory-to-Family Idea. As I look back over happy years as a Larkin Secretary, I want to extend to you my heartiest wishes for your Golden Anniversary and the years to come.

Mrs. F. L. Nichols,
Detroit, Mich.

"Thirty years ago when just a little girl I sent you my first order. Little did I think then of the wonderful help Larkin Co would be to me.

"You can shop through the pages of the Larkin Catalog with all the joy and zest of the New Yorker on Fifth Ave. Long live Larkin Co."

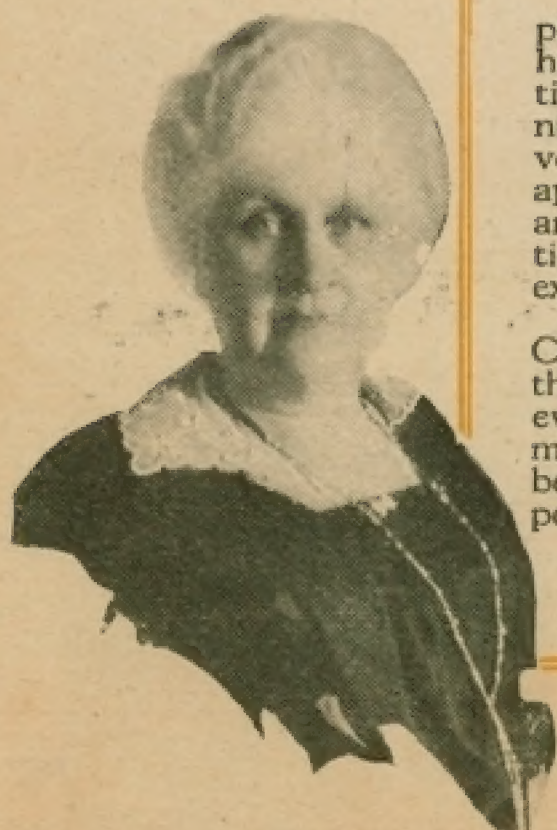

Mrs. F. E. Bossard
Tulsa, Okla.

"It gives me great pleasure to offer you my heartiest congratulations on your 50th Anniversary, and to convey to you my genuine appreciation of the fair and satisfactory relations which have always existed between us.

"I have been a Larkin Club Secretary for about thirty years. In almost every instance your Premiums have been even better than I had expected them to be."

Mrs. S. I. Price
Williamsport, Pa.

"I hear this year you are to celebrate your fifty years of Service to American Homes. I have been with you over twenty years of that time and have had one hundred eighty-four clubs.

I have three at the present time, one of which I started twenty years ago and have only a few changes in it. All the members are pleased with the Products and the Premiums."

Mrs. H. L. Hubbard
West Haven, Conn.

How to Order Larkin Products and Premiums

BY the Larkin Plan, you can obtain many things you long to add to your home—furniture, rugs, curtains, silverware, etc., by buying from the Larkin Factories, foods, soaps, toilet articles, and other housekeeping supplies you use every day. These Larkin Perfected Products, the result of 50 years manufacturing experience, will be found on pages 10 to 71. On pages 72 to 197 are shown the Larkin Premiums you obtain with your purchases of Larkin Products.

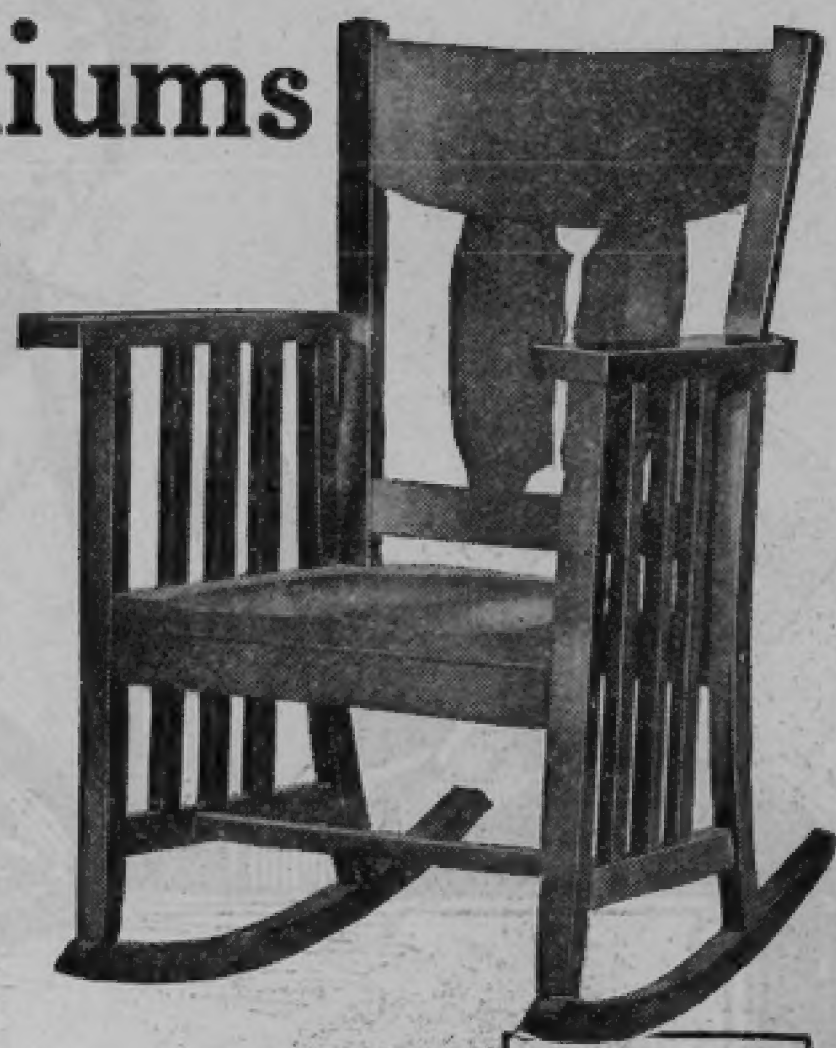

An Example of a \$10 Order

LET us suppose you wish Mahogany-finished Rocker No. 3375, Premium with a \$10 purchase of Products pictured on this page. From our large and varied list of Perfected Products, select any you wish to the amount of \$10. Below is shown a typical \$10 order of Larkin Products.

If you have a Larkin Order Blank use it. All the Products are listed with the prices, and the Order Blank contains a space for ordering your Premiums. If you haven't an Order Blank, use any kind of paper, writing plainly.

Enclose with your order a Money-Order or check to cover the price of the Larkin Products and you will receive both the Products of your selection and the Premium as well. You may use them 30 days and then have your money refunded, if not satisfied.

The delivery charges, whether freight, express or parcel post, you will pay on delivery of the goods. Many Premiums are mailed postpaid separately, as indicated in the Catalog.

To Order Larkin Products or Premiums Alone

If you want Larkin Products and no Premium, you will receive full value just the same. Order your Products as directed above.

In place of the Rocker, or any other Premium, just order another \$10 worth of Larkin Products, giving you double the quantity of Products for your \$10.

If you wish to order the Premium alone, send cash to one-half the amount required in coupons, unless a definite cash price is quoted.

THE popular way to obtain Larkin Premiums is through a Larkin Club. Through a Club you get the Premium of your choice with even a small order of Larkin Products each month. Larkin Clubs consist of 5, 10 or more members. Clubs of 5 and 10 members are the most popular but any number can group together in a club.

If you are not now a member of a Larkin Club, you will find that you can quickly and easily start a Club.

The Popular Club-of-5

Five good friends can form a congenial little Larkin Club. Each one agrees to purchase monthly \$2 worth of Larkin Products (chosen from pages 10 to 71) for five successive months. Thus, each purchases \$10 worth of Products securing a Premium given with a \$10 purchase of Products. Each monthly order combining the five \$2 orders of the members of the club, brings a Premium offered with \$10 worth of Larkin

Products. The members take turns each month in receiving the Premium.

If you do not belong to a Larkin Club, start one of your own and share benefits of Larkin dealing with your relatives and friends. As the Club's Secretary, you will get the liberal Rewards (explained on page 8) earned by Secretaries for their pleasant duties. Thus you will acquire quickly many of these beautiful things for your home.

A Larkin Club Is Easy to Start

A little Larkin Club-of-5 is so easy to form—as we state above, just you and four others! Jot down names of four relatives and friends whom you want to help with your Club—mother or sister, the next-door neighbor, the minister's wife, the school teacher. Then ask them to join. Show them in your Larkin Catalog, that by a \$2 purchase of Products each month for five months in your club, they may have any Premium given with \$10 worth of Larkin Products.

Show these friends that Larkin Products include soaps, pure foods, laundry supplies, paints, notions, apparel, in fact, almost everything that

they buy daily at the stores. Show them the benefits of having lasting home improvements just by spending their housekeeping money on the Larkin Factory-to-Family Plan.

How delighted each of you will be as, in turn, you receive some prized article for the home as your Club Premium. Surely each will agree that she has been wise in buying her household supplies on the Larkin Plan.

Your Friends Larkin Club

To Those About to Start a Larkin Club

Anyone can easily start a Larkin Club at once from the simple information we give on these pages. We suggest, however, sending for the new attractive booklet, "The Larkin Secretary and Her Club", as a further aid in making a success of the delightful new spare-moment vocation, "being a Larkin Secretary."

Being a Larkin Secretary is so helpful and womanly. The simple duties can be fitted so perfectly into odd moments otherwise wasted, and are so altogether worth while. Every Larkin Secretary contributes greatly to the social life of her community, helps to spread sunshine as well as benefiting both her neighbors and herself. And so we say, get and read the booklet. "The Larkin Secretary and Her Club."

Free
on
Request

"BUT suppose I have more than five members?" you may ask. This is a natural question. For, after you have invited your own folks and your friends, you may have seven or nine members besides yourself.

The Larkin Club-of-10

"Make it a Larkin Club-of-10!" we reply. The Larkin Club-of-10 is and has been a favorite everywhere for years. Each member in the club buys \$2 worth of Larkin Products monthly, and since there are 10 members to take Premiums in turn, each member chooses a Premium offered with a \$20 purchase of Larkin Products. Members like this club. They obtain a more valuable Premium for their total purchases of Larkin Products at \$2 a month for 10 months.

A very popular way to start a Larkin Club is to have a little party, just as pictured below. Ask the folks to gather at your home some afternoon; then explain the advantages of belonging to your Larkin Club. Tell those who do not know it how Larkin

direct dealing makes it possible for them to receive beautiful Premiums with their purchases of household supplies.

How Larkin Secretaries are Rewarded

"I have completely furnished my parlor and have started on my dining-room—all with Larkin Premiums received as my Rewards in less than a year. I would still be without these had it not been for Larkin Co."

Mrs. Benj. Featherstone,
Walworth, Wis.

THOUSANDS of women are beautifying their homes, and clothing themselves with Rewards for running Larkin Clubs. You, too, can enrich your home by earning the liberal Rewards obtained by Larkin Club Secretaries.

Rewards are given to Secretaries who send an order amounting to \$10 or more. Rewards are paid in the form of Larkin Premiums or Products of your selection. The amount of your Reward is determined by the amount of your order, as indicated in the Table of Rewards below.

How to Earn Rewards

At the time a Larkin order is filled, a Reward will be paid the Secretary under the following conditions:

1. The order must be from a Larkin Club Secretary or Pantry Secretary,
2. Cash payment must amount to \$10 or more, and
3. Payment in full must accompany the order.

Figuring Rewards

As a Reward we give Coupons to the amount of *one-fourth* of the money paid for goods.

Example:— If you send \$16 to pay for an order, your Reward is one-fourth of 16 or \$4 in Larkin Coupons. You may request \$4 in Coupons; or any Premium given for \$4 in Coupons, to be shipped with your goods.

What You Can Do with Larkin Coupons

The amount in Coupons needed to get any Larkin Premium is shown in each offer. You can obtain any Premium by saving the required amount of Coupons.

Example:—

If you send a \$16 order each month, your Reward each month is \$4 in Larkin Coupons. If the Premium you want is given for \$12 in Larkin Coupons, you can get your Reward Premium with the third \$16 order. That is, on the first and second orders we would send you \$4 in Larkin Coupons for each order. By returning the \$8 in Coupons with your third \$16 order and letting the Reward on the third order also apply, you can then get any Premium given for \$12 in Coupons. **Club Members may save and use their Coupons in the same way**

Larkin Coupons are printed in amounts of 5c (as pictured) also \$2, \$5 and \$10 and will be issued to you in the largest unit unless otherwise requested. Keep your Larkin Coupons as you would money. Duplicate Coupons cannot be issued. Coupons may not be used in settlement of 30 Day Credit Orders, nor of Pantry or Better Homes accounts.

Club Members who purchase Products in addition to their club share will quickly acquire a fund of Larkin Coupons for larger Premiums.

For Perfect Baking

Of course you want your baking perfect. But, you can not expect perfect results unless you use the right baking powder.

You can always depend on Larkin Baking Powders—either Cream of Tartar or Phosphate—for uniformly good results.

Both these powders produce practically the same results. It costs less to make a Phosphate powder—therefore the price is lower. Its purity, efficiency and wholesomeness are just as high as in the Cream of Tartar powder.

The Rooms You Live In

365 days in the year, you and your family use the rooms in your home. Are these rooms all that you would have them?

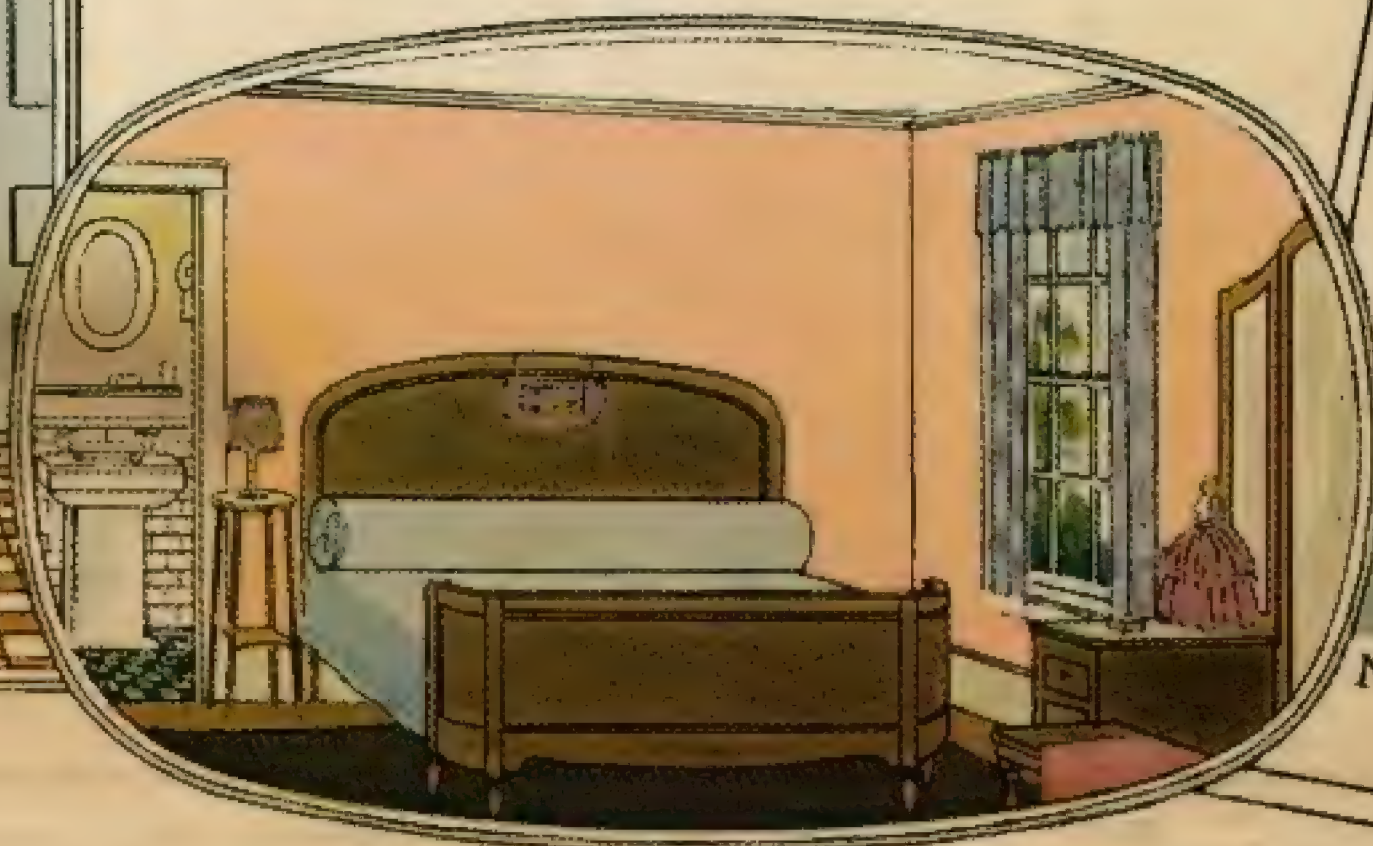

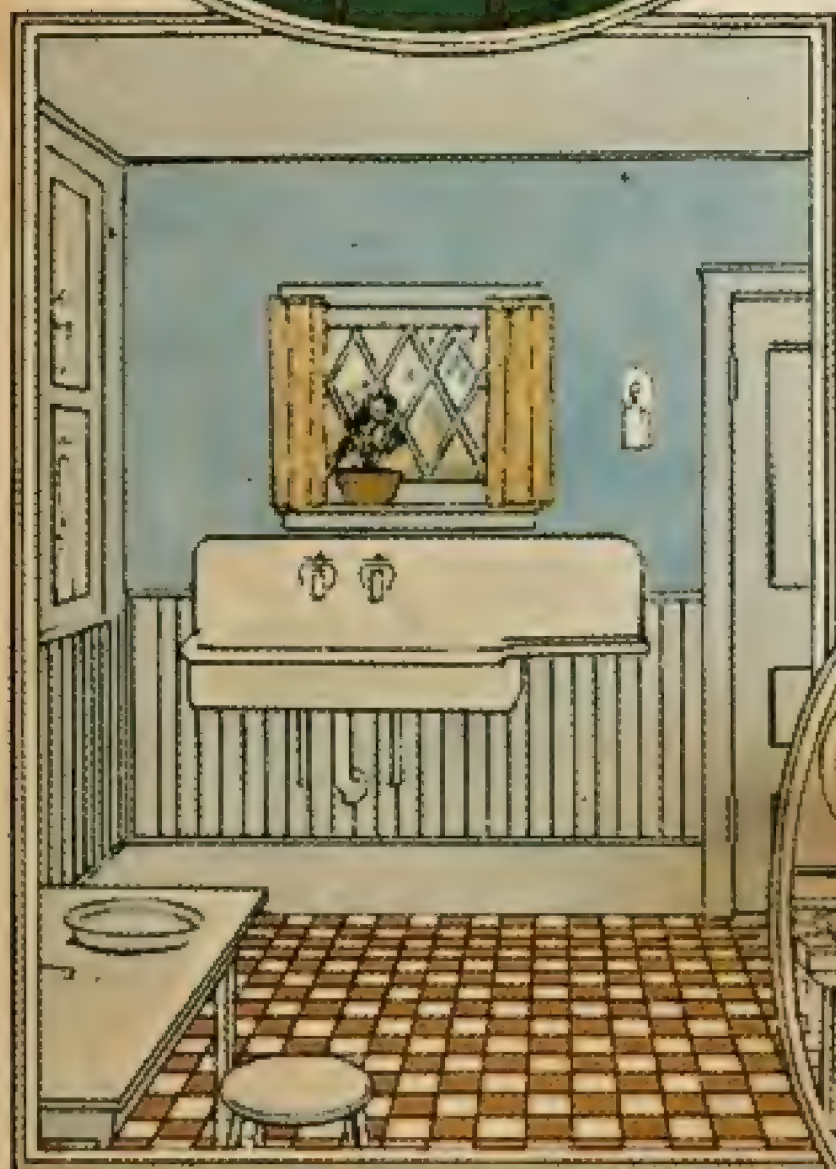

Let us look at them now. Is the living-room, where the family spend their evenings, comfortably homey, the dining-room inviting, the kitchen a cheery workroom for the busy housewife, the bedrooms pleasingly restful?

Perhaps so. If not, maybe all they need is a little touching up with Larkin interior finishes.

It is surprising what a lot of improvement can be made for a small cost. You can do the work yourself—directions are printed on the cans.

The rooms on this page show something of what Larkin interior finishes will do.

The following pages tell you how little it will cost to beautify your home.

The correct Paris Cloth—a very wonderful fabric that has usually been confined to the high-priced imported material. It is one of the many adaptations of crepe de chine but is a much richer and heavier flat crepe.

This crepe has an almost invisible, tiny flat cord, which gives the fabric unusual style and durability. We know of no fabric of finer style or more beautiful texture.

The range of shades makes possible a dress for any occasion. Be sure to ask for samples, as it is unusually excellent not only for dresses but for beautiful overblouses.

Size of top, 14 x 22 in. Shipping weight 28 lbs.

446 Three Burners: PREMIUM with \$16 purchase of Products or for \$16 in Coupons.

Size of top, 14 x 32 in. Shipping weight 37 lbs.

Wickless Blue-Flame Kerosene Stove of enameled steel. Takes little space; a great time- and fuel-saver. Convenient on top of kitchen range. Height, 9 in. The powerful 3½-in. burners each consume only one quart of oil in 4½ hours. The 2½-quart oil-tank is always cool. Simple to operate. Open covers are 9 in. in diameter.

Economical—Quick Simple to Operate

This modern three-burner oil stove embodies new features that increase convenience and promote perfect operation.

Burns with a steady blue flame. Uses a minimum of oil—one gallon of kerosene lasts one burner 25 hours of continuous burning. The always-cool gallon glass bowl shows oil level. Simple of operation; no ratchets or gears to bind or stick. Flame stays as set, feeding right amount of oil for desired heat. Regulators simplify flame adjustment. The flame touches utensils giving cooking heat where needed. Lower shelf handy for kettles or skillets.

Handsomely designed of steel throughout and japanned in light gray and black; nickel-trimmed; blue-enameled chimneys on burners. Rockweave asbestos wicks.

Popular Instant "Hy-Lo" Oil Range

One Burner Heats Two Cooking Holes

3522 PREMIUM with \$50 purchase of Products or for \$50 in Coupons.

A cotton-wick stove with unique features. Three burners heat 6 cooking holes, the 3 in front of the stove being directly over the flames while the surplus heat, usually wasted, is carried to the 3 rear holes. Food started on the front holes and there brought to a cooking heat can be finished on the back holes, doubling the capacity of the stove.

Extra-wide cooking-top of heavy steel is 21¼ x 33½ in. and 33 in. high. The long-chimney burners are odorless and quickest, most positive type; light instantly. Patent wick-stops prevent turning wicks too high. Flames visible through mica windows. Seamless brass burners, made so no food can boil over into them.

The strong canopy has warming shelf, hinged to fold out of way when an oven is used. The front steel grates are guaranteed indestructible. Glass oil bowl holds over 1 gal. which lasts one burner over twelve hours. Larco Wall-Board replaces lath and plaster for walls and ceilings, in every kind of building, new or remodeling. Resists shocks and strains—does not crack—is sanitary—repels vermin—and is a splendid non-conductor of heat, cold and sound. It hardens with age into a durable, beautiful, sanitary wall or ceiling.

Larco Wall-Board is great for finishing off attic rooms, repairing or remodeling bedrooms, dining-rooms, or living-rooms, ceiling porches, lining garages or summer cottages, or for making shirt-waist boxes, etc. In stores, fine for partitions, display windows and booths. On the farm, used in poultry houses, dairy houses, barns and granaries. Bins are easily made from it. Sawed like lumber.

Shipped from factory in Western New York.

Larkin Paints and Supplies for finishing "Larco" Wall-Board shown on pages 64 to 71.

Larco Wall-Board beautifully covers cracked plaster and peeling wall-paper

Larco Wall-Board is, we believe, the strongest and toughest cream-colored board on the market. While some boards are "bulked" to secure thickness and are consequently always weak and spongy, Larco board is hard,—much like a knotless board of real lumber, with a smooth painting surface. All panels 1/2 in. thick.
